Summer Safari Campership Fund

Help sponsor an underprivileged child's week at Summer Safari! A contribution to our Summer Safari Camp Scholarship Fund will help provide an unforgettable experience for children in our community. For information on receiving a Summer Safari Campership for your child, contact the Zoo Education Department at 260-427-6808 or education@kidszoo.org.

Children must meet age requirements on the first day of camp (no exceptions). Complete a separate registration form for each child or for children registering for more than one session. If children wish to be in the same class, make a note on each registration or mail them in the same envelope.

Programs are held rain or shine. You will receive email confirmation. Openings are limited, so register early to avoid disappointment. Camp refunds (minus 10% processing fee) are available if you cancel at least 2 weeks before your session begins. If you cancel less than 2 weeks before your session begins, no refund will be issued. The zoo reserves the right to cancel programs with insufficient registration. In this event, a full refund will be issued. Before and after-camp care is available for Summer Safari only. For more information, contact the Education Department at 260-427-6808 or education@kidszoo.org.
