

STORY CUBE

An after-the-zoo storytelling exercise

GRADE 1

MATERIALS

- scissors
- glue

STANDARDS

- ELA.1.7.6
- ELA.1.7.9
- ELA.1.7.10

OBJECTIVES

- Students will reflect on the knowledge they have obtained on their trip to the zoo.

PROCEDURE

- Enlarge the story cube pattern on sturdy paper for each student.
- Encourage students to tell the story of their zoo field trip by drawing a "scene" from their trip on each face of the cube. The children may also write words or sentences describing their scenes.
- Then, have students cut out their cubes and assemble them.

RECOMMENDED ASSESSMENT

- Have the students share their stories with their classmates.
