

Zoo Summer Job Fair

Saturday, March 10
9am—2pm
Zoo Education Center

Interviews and hiring will take place at the job fair until positions are filled or as time and capacity allow. As positions are limited, we suggest arriving early and being prepared by bringing your completed application(s) and two forms of ID. As the majority of hiring will take place at the Job Fair, we suggest attending the Job Fair if possible. However, applications will also be accepted and hiring will also take place prior to and following the Job Fair. Read the job descriptions to learn more, then fill out and bring the appropriate application(s) to the Job Fair. You may apply for one, two, or all three opportunities (Food Service Associate, Gift Shop Sales Associate, Zoo Summer Staff). See www.kidszoo.org for more information.
