

Fort Wayne Children's Zoo Job Shadow Program

Thank you for your interest in the Fort Wayne Children's Zoo Job Shadow Program. Your job shadow is an important step toward learning about a career in zoo keeping.

What will I do on a job shadow?

No two days are alike at the zoo, so every job shadow is a unique experience. You will be assigned to a zoo keeper who will take you along on daily feeding and cleaning rounds. Depending on the type of animal, you may be able to help prepare food, deliver food, and assist with cleaning.

Job shadow students do not work with lions, leopards, sea lions, tigers, or other dangerous animals.

What should I bring?

Bring your enthusiasm and love of learning. Zoo keepers work outdoors in all types of weather and may get dirty, so dress appropriately. Wear closed-toed shoes (NO sandals), jeans or khakis, shirt, and coat or jacket if necessary. Don't forget a hat and gloves if it's cold outside. Make the most of your job shadow by bringing a list of questions to ask the zoo keeper.

Who can apply?

Job shadows are open to high school students in grades 9-12. Space is limited for this program and slots are filled on a first come, first served basis.

When should I apply?

Allow at least 3 weeks for the scheduling process. Please be flexible. We may not be able to assign the exact date you request.

Is there a fee?

There is a \$15 fee for the Job Shadow program. Please do not send payment with your application. You will receive an invoice with your confirmation. Scholarships are available for those demonstrating financial need. Please contact us at 260-427-6808 or education@kidszoo.org to receive scholarship information.

How do I apply?

Download the **application form**. On your application, mark the zoo area in which you'd like to perform your Job Shadow. Mail your completed application form at least 3 weeks in advance of your anticipated job shadow date to:

Job Shadows, Fort Wayne Children's Zoo, 3411 Sherman Blvd., Fort Wayne, IN 46808 FAX to 260-427-6820 or e-mail to education@kidszoo.org
