Make a puppet out of felt

GRADE PRE K

MATERIALS

- marker
- scissors
- felt
- needle
- thread

STANDARDS

- SE.1.92

OBJECTIVES

- Students will trace an image and cut along their produced pattern, refining dexterity.

PROCEDURE

- Have students cut out the puppet pattern and trace it onto two felt pieces.
- Have students cut the felt patterns out.
- An instructor will need to sew the two pieces together, leaving the bottom of the puppet open for a hand.

RECOMMENDED ASSESSMENT

- Ensure the children cut the pattern properly.

EXTENSIONS

- Have the children decorate their puppets like their favorite zoo animals.
