

# CRAYON RUB

Using various media to portray animals

## GRADES K - 1

### MATERIALS

- cardstock
- envelope
- crayon
- scissors
- animal patterns

### STANDARDS

- VA.K.8.2
- VA.1.8.2

### OBJECTIVES

- Students will learn how to use different media to color an animal.

### PROCEDURE

- Have students cut out the animal patterns.
- Have students trace the patterns onto cardstock.
- Have students cut out the cardstock patterns and put them into envelopes.
- Have students rub over the envelope with a crayon to develop the image.

### RECOMMENDED ASSESSMENT

- Ensure the students are tracing the pattern correctly.
- Students should have one side of an envelope with an animal design imprinted on it.

### EXTENSIONS

- Students can use different media on the cut out cardstock animal for added texture or color, such as felt, yarn, or textured paper.
